FINDINGS OF FACT

1. On November 3, 1978, CONSUMERS GAS COMPANY made application to this Commission for authority to increase rates in order to offset increased gas costs charged by Treasure State Pipe Line Company which resulted from increased gas costs charged by The Montana Power Company under Docket No. 6618.

2. Consumers Gas Company purchases one hundred percent (100%) of its gas from Treasure State Pipe Line Company.

3. On June 25, 1979, this Commission granted Montana Power Company an increase in its natural gas rates. Included in the rate increase Order was authorization to increase charges to Montana Power's small utility customers.

4. This increase will result in a corresponding expense increase to Consumers Gas Company.

CONCLUSIONS OF LAW

If the final action is to disapprove the increase the Commission shall order a rebate to all consumers for the amount collected retroactive to the date of the temporary approval. 69-3-304, MCA

2. The application of Consumers Gas Company will be noticed for hearing at a later date.

ORDER

2. The increase granted herein is subject to rebate should the final Order in this Docket determine that a lesser increase than authorized by this Order is required.

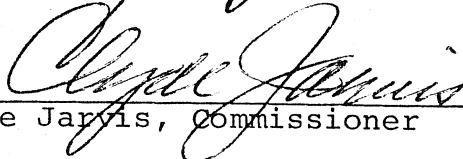

3. In the event a rebate is directed by the final Order in this Docket, provision shall be made in that Order to cause all uncollected rebates to be escheated to the State of Montana in the manner provided by law.

4. The increased rates shall be collected upon a constant, uniform cents per Mcf basis.
